

Potential Belltown Off-street Parking Resources

October 2003

As part of the Seattle Department of Transportation (SDOT) Belltown Meter Installation Project, questions have been asked about any available residents monthly parking in Belltown. SDOT staff gathered the following information from various parking operators with off-street lots near 1st and Broad St, although this is not a comprehensive list. Please note rates are subject to change.

Diamond Parking Services

Seattle Trade Center garage
2600 Elliott between Vine and Cedar.

- Evening permits
- Annual monthly permits (12 month lease, need 1st and last)
- Monthly (month to month)

For Seattle Trade Center, contact
seattle@diamondparking.com

Please check with Diamond Parking for current rates ☐
www.diamondparking.com

There is ample availability at numerous other parking lots, and prices vary depending on the location. Generally, parking rates near the north end around Clay and Cedar Sts tend to be less expensive than lots near Virginia, Blanchard, Battery and Wall Sts.

For more information, contact:
Monthly permit sales center: 206.284-6303 (M-F)
